What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, Golden Medical Discovery and Favorite Prescription.

The answer is that "Golden Medical Discovery" is a most potent alternative of blood-purifier, and tonic or invigorator, and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large percentage of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchitis, stomach (as catarrh of the stomach), bowels (as catarrh of the bowels), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections it is often successful in effecting a cure.

The "Favorite Prescription" is advised for the cure of all cases of disease—those resulting from weakness, exhaustion, and from the action of poisons upon the system. It is a powerful yet gently acting invigorating tonic and nerve. For weak women, over-worked women, no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formula of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines.

The words of praise bestowed on the several ingredients entering into "Doctor Pierce's medicines" by such writers should have more weight than any amount of non-professional testimonials, because each man is writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-acid, and contain no harmful habit-forming drugs, being composed of glycerine extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Pills, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

TILLMAN AND THE SOUTH.

Senator Benjamin R. Tillman, at a dinner of the South Carolinians at the Hotel Knickerbocker in New York, Thursday night, answered the argument of President Taft that the south should no longer remain solid in its devotion to the democratic party, and declared the south solidly democratic "because the democratic party is the only white man's party."

At the same time he declared there had been a great change on this subject in the north in the last decade.

"We're often asked," he said, "why we of the south vote the democratic ticket. My answer is that the democratic party is the only white man's party today, and I am a democrat because I am a white man's man. In our state there are 35,000 more negro voters—if they were allowed to vote—than white voters. We have had eight years of negro domination, and so long as democracy means the rule of the white man, so long will we remain democratic."

"We are not out of the union, because we were whipped back; but I am, as I said before, a white man's man and believe that God Almighty made white people out of better clay than he ever put in the best 'nigger' on earth. And, believing that, I am for the civilization that produced John C. Calhoun and Robert E. Lee."

"The south clings to the democratic party, and until the republican party gives up the doctrine that the negro is as good as the white man there is nothing for us of the south to do but to cling to the faith of our fathers."

"We South Carolinians must forget that in the north there is still the amalgamation of the races. In the north a white woman can marry a 'nigger,' and in the south we have Cuba ready to drop in our lap as soon as the capitalists say the word and furnish the arms and ammunition for the men in the bushes to start another revolution. In Cuba the white women marry 'niggers,' and the mulatto children can be seen on every street. With a wall of fire to the north and another wall of fire to the south, what is there for us of the Palmetto state to do if we surrender our rights?"

"They say we must enforce the laws impartially, and we say we will not. We have nullified the fourteenth amendment, and in every southern state the negro is disfranchised. We hear about the 'grandfather' clause in our voting qualification. The reason we put that in is to give the poor white man who cannot read a chance to vote and to disfranchise the negro."

"The negro today is a republican asset. He holds the balance of power in Philadelphia and in Ohio, Indiana and Illinois. And so long as the republicans continue to use him as a political asset, it is our duty to be true to the civilization of our fathers and to educate the north, as we have been doing during the last 10 years."

For Constipation, Mr. L. H. Faraham, a prominent druggist of Spring Lake, Iowa, says: "Chamberlain's Stomach and Liver Tablets are certainly the best thing on the market for constipation." Give these tablets a trial. You are certain to find them agreeable and pleasant in effect. Price 25 cents. Samples free. For sale by W. F. Creighton and Co. and Richard Gibson.

CONDITIONS IN TURKEY.

The two factions in Constantinople are still divided in their intentions toward the sultan, one desiring his deposition and the other hesitating to go this length.

The advance of the concentrated army of investment began yesterday afternoon.

While the favored troops of the Constantinople garrison were giving homage to the sultan on Yildiz hill, there was a forward movement of the constitutional forces on that side of Pera to within 24 miles of the Yildiz Kiosk.

It is impossible to say at the present time just what are the intentions of the leaders of the constitutionalists, who represent two factions, the radical and the conservative. Evidently the constitutionalists are of two minds with regard to the ruler of their country. The parliamentary deputies, who held sessions at San Stefano yesterday, seem to be in favor of his deposition.

No guarantee of any kind have been given to the sultan by the constitutionalists, either with regard to his retention on the throne or the security of his person. The constitutionalists have practically control of the government, and are taking up a passive attitude toward the sultan. Tewfik Pasha, the Grand Vizier, and his associates in the Cabinet have agreed to carry out the wishes of the parliament.

Gza. Mahmood Sobeket, who, in a telegram to the Grand Vizier yesterday, styled himself commander-in-chief of the army of investment and of the Ottoman fleet, is now, almost supreme in authority.

FOR RENT.—HOUSE, No. 320 north St. Asph. street, 6 rooms and bath. ap16 1/2 M. RUBEN & SONS.

MOUNT IDA

Is the new subdivision between Washington and Alexandria. The W. A. & Mt. Vernon Electric Railway runs through the property. It is situated on a high elevation overlooking the city of Washington, and is a most beautiful situation for suburban homes. Only 15 minutes to the heart of Washington—Twelfth and Pennsylvania Avenue. We are putting in first-class granolithic walks, grading and graveling the streets and building our own waterworks, which will be supplied with spring water situated on the property. While we are putting in all these improvements we are still going to sell lots at about 25 cents on the dollar of what some others are charging for lots that cannot compare with ours. We will commence the sale now soon, and will start these beautiful lots at \$100 up—\$10 cash and \$5 per month. The price will be advanced 10 per cent per month until they are closed out. We commence at this low price to enable the early buyers to always be certain of being able to sell at a good profit in case they wish to do so, as the company will have no lots for sale after the first month, except an advance of 10 per cent. We can give you any size lots, from the usual size to several acres, if desired, paying rent and build yourself a house at Mount Ida. If you want help to build, we can arrange this. We want everyone to come out and look at the property and the improvement now being put in. If you come and will drop us a line, we will have our agent call on you and explain plan. Ask the conductor to a Mount Ida Station—the new \$1,000 station at Mount Ida. To those who are living at a distance, but who cannot come now, but who would like to get in at the low prices at the opening, we will use our best endeavors to select the best lots at prices desired and will allow the privilege of exchange at any time if lots should not please. Write for price lists and contracts.
